

*"...we have been pouring over your manual and it is a big help. Thanks again."*

- Glenna Blake, Mendocino Transit Authority

*"I would recommend making this small investment prior to starting a volunteer driver program. It has been a wonderful resource to assist with developing our program in Stanislaus County."*

- Jean Foletta, Program Manager, Paratransit, Inc. - Modesto, CA

*"The TRIP manual provided a road map for the journey in developing our volunteer driver program. The step by step insight assisted us from inception to how to sustain a volunteer driver program."*

- Sandee Hayden, Director, Community Connections – Claremont, CA

*"Our agency is especially interested in TRIP because it offers a consumer driven solution to a community problem. We are actively looking to fund a TRIP model program and the TRIP Manual has been a great resource. With the manual we have step by step instructions on how to get a program from idea to reality."*

- Meggin Lorino at Neighborhood Centers Inc. - Houston, TX

*"The manual and all the other resources have been a tremendous asset and are allowing us to move forward much more expeditiously in developing and implementing this wonderful program."*

- Adrienne Stokols at TRIP-Orange County
