1	TRIP helps me to go to my appointments as needed.	3/6/2014 2:19 PM
2	I have to so many doctor appointments it wears me out. My neighbor Joes understands my problem but he too is low income. TRIP has allowed me to pay for his gas.	3/6/2014 2:17 PM
3	I could not get to my appointments, no car or ride, I don't know what I would do.	3/6/2014 2:13 PM
4	I am looking for a bright day when I wake up in the morning. I never have to miss my doctor appointments. I am able to do my banking and shopping and everything else. All of these because with the help of the TRIP Program. thanks to TRIP from the bottom of my heart.	3/6/2014 10:10 AM
5	My personal opinion is that TRIP is an excellent program for people with needs, it is a great support for our community and hopefully this program can continue working how it has been so far and the staff is very professional.	3/6/2014 10:08 AM
6	It is a more direct and timely way for my transportation needs. Also more flexible as not everything works on a reservation system.	3/6/2014 9:07 AM
7	Without TRIP, I couldn't get to my health care or shopping, and banking. In short without TRIP I would be lost. I can't thank you enough.	3/5/2014 10:27 AM
8	Allows me to get to appointments with out worry.	3/3/2014 1:03 PM
9	By paying for the gas, I am able to get to all of my doctor appointments and be able to take care of medical conditions that arise there and back due to urgent bathroom needs than you very much.	3/3/2014 1:02 PM

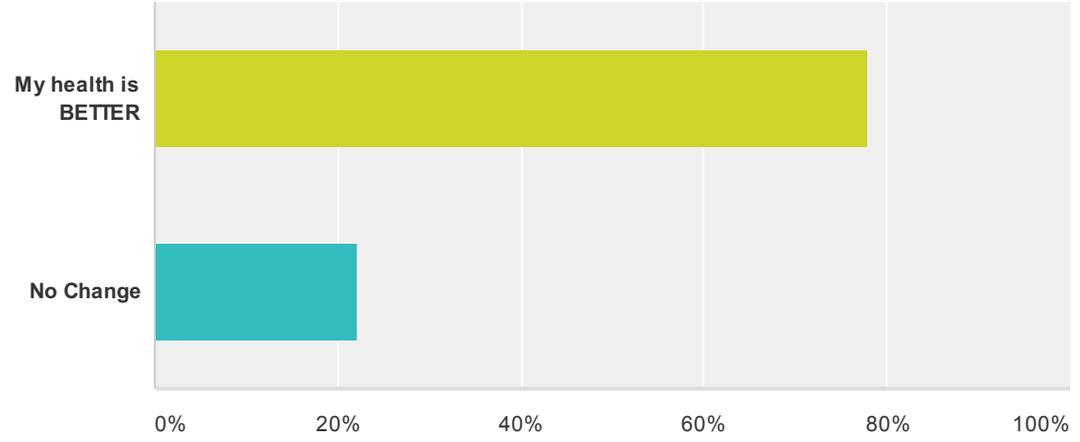

## Q4 Please tell us how your life would be different if TRIP was no longer available for you.

1	I would not be able to survive!	3/6/2014 2:19 PM
2	I would have to call around and ask people for a ride, because Joe can't afford to drive without TRIP. He drives me for medical test, to the doctor and to do errands many times refusing to take gas money, so many trips I don't report. My health has gotten worse throughout the years. TRIP has been a gift from God. Because of TRIP I do not have to stress due to transportation.	3/6/2014 2:17 PM
3	I could not get my food or go to my church.	3/6/2014 2:13 PM
4	Will be the opposite from above mentioned. Unimaginable. Please continue the program in order to make my life easier.	3/6/2014 10:10 AM
5	It would be sad for me, since I don't have financial resources to be able to cover the expense to go to the Doctor, etc. I feel very grateful with the program and the staff who works for this program. My treatment is long but I am aware and I try to keep going to be able to do everything I have to do.	3/6/2014 10:08 AM
6	My stress level and there for my blood pressure is lower. Also less physically demanding for me. Thank you	3/6/2014 9:07 AM
7	Homebound, missing appointments.	3/5/2014 10:27 AM
8	Live on a fixed income. Can't afford it on my own.	3/3/2014 1:03 PM
9	I would not be able to go to all of my doctor appointments because I am severely handicapped in a wheelchair with a colostomy and I have to make emergency toilet stops back and forth to the doctors, so I can't even take the bus because of overflow and Lasix as well.	3/3/2014 1:02 PM
