1	It would be harder to get to my medical appointments as I can't afford the gas	3/13/2014 10:52 AM
2	I'd probably have to do a lot more walking thereby putting more stress to my knees and feet. Sometimes my whole day is taken up because of bus schedule and walking without TRIP.	3/12/2014 2:13 PM
3	I would be really be stranded.	3/12/2014 1:43 PM

5	If I didn't have TRIP I would have to scramble to have someone take me to my appointments and it would cause more financial stress. It would also cause stress trying to schedule my appointments on the one day every other week that my partner has off which is very difficult.	3/10/2014 11:12 AM
6	I do not want to have to go back to the way it was before TRIP while it only helps cover gas expenses for my medical needs, this aid is invaluable to me in many ways. For which I am enormously grateful. I no longer feel the dread of asking, yet again, for assistance in getting me to appointments due to TRIP.	3/10/2014 9:41 AM
7	It would be almost impossible for me to pay someone to take to my Dr. appointments in Loma Linda. It's far and takes a lot of time and I would not be able to afford to pay someone to take me.	3/6/2014 2:18 PM
