## ***Help Finding Assistive Technology—***

Assistive Technology Network offers free information and referrals for assistive technology supplies, daily living devices, community resources, funding and service providers throughout California. Call 1-800-390-2699, TTY: 1-800-900-0706 or visit [www.atnet.org](http://www.atnet.org).

## **Easy Peel Vegetable Peeler**

An ergonomically-designed assistive technology tool, the **EZ Peel Vegetable Peeler** is a small palm-size tool that slips over the finger for easily peeling vegetables and fruits. The peeler tucks into the palm of your hand allowing a gentle easy motion instead of a striking motion. The stainless steel blade is durable and it even has a convenient potato eye remover at the tip. The vendor says that the ergonomic design is especially safe for people with low vision. It's top rack dishwasher safe and measures 2.5" wide by

2.5" long. This item is available online from various suppliers that sell AT products for \$5.95 to \$7.95. Word search on the internet "palm held vegetable peeler" to find a supplier of your choice.

## **A Safer Way To Pour Hot Liquids**

The vendor says If you have a problem pouring tea or other hot liquids, here's a great way to help prevent burns and spills.

The **Kettle/Pot Tipper** allows the user to easily control the tipping angle for pouring hot or boiling water in a safe manner without lifting any weight. It is suitable for most types of teapot or electric kettle. The nonslip feet keep the tipper from sliding, and

a hook and loop strap keeps the kettle securely in place. Made completely from plastic, it is lightweight and corrosion resistant. The price range for this item from various suppliers is \$34.99 to \$55.99. Search the words "kettle pot tipper" to find this handy beverage helper.

## Create a Safe Walkway This Winter Over Snow and Ice

The **No-Slip Ice/Snow Carpet** is a natural sisal fiber mat treated with rubber. According to the vendor, it adheres to moisture, creating a non-slip surface that makes walking or wheelchair use safe whenever there is ice or snow. It can be used on porch steps, entryways, sidewalks, ramps or driveways. The carpet can be rolled up and stored for use again and again. It's 10' long x 18" wide. This product is available online from various suppliers for \$9.95 to \$14.95. Search the words "no-slip snow carpet" to find a supplier of your choice.

# Talking CPR Instructions At A Touch Of A Button

In the event of an emergency, your knowledge of CPR can mean the difference between life and death. The **Reizen Talking Save A Life CPR Audio Rescue Flashlight** provides spoken prompts to guide you through an emergency. Plus, the built-in flashlight emits a steady, bright light even if the battery has a low charge, providing illumination when you need it. The voice prompts (in a clear female voice) are helpful for the CPR trained rescuer, or to help with the “peace of mind” that you will be more prepared for an emergency. Also provided are written, separate sets of instructions for use in administering CPR to an adult, baby or child. The CPR Instructions follow American Heart Association Guidelines. This unit is an effective rescue aid and review tool and is a great way to periodically refresh your CPR skills and knowledge. It is intended for use by those who have had CPR training with a certified instructor. Package includes a tote-string that allows it to be carried around the wrist or hooked onto a belt, purse strap, etc. Keep it in your handbag, briefcase or glove compartment. Take it with you when traveling. Add one to your First Aid Kit at home or work. Comes in a Silver case. Uses 2 AAA batteries (not included.) and weighs .25 lbs. The lowest price we found for this item is \$9.95. Search the words “CPR audio rescue flashlight” to help you be more prepared for an emergency.
